By Livia Pivetta Piccinni – Fci Agility Judge

HALL OF FAME – Agility Champions and Judges of the (European and) FCI AWC

Albo d'Oro dei Risultati e dei Giudici dei Campionati Europei (1992-95) e Mondiali di Agility (1996-2019)

Ricordiamo che:

- L'Agility europea è iniziata nel 1989, dal 1990 al 1992 il grande evento fu il master Royal Canin (1990 Porte de Versailles, Paris; 1991, Bercy, France; 1992 Monaco) ed a partire dal 1991 si tenne il primo campionato Europeo in Finlandia; le parti grigie della tabella riguardano i Campionati Europei. Nel 1996 si disputò il primo mondiale in Svizzera.
- Le categorie small (<35) medi (35-43) e large (<43) non esistevano ancora; la suddivisione era in MINI (<40) e STANDARD (>40)
- Le squadre erano formate da 4 binomi; per ottenere i risultati si scartava il peggiore per ogni squadra.
- Dal 2002 si passò all'attuale divisione in classi SMALL MEDIUM e LARGE e si decise di ridurre la composizione delle squadre a 3 binomi; dal 2012 le squadre sono nuovamente composte da 4 binomi.
- Quindi i risultati riportati nella classe small fino al 2001 sono in realtà i risultati della vecchia classe "MINI", per questo i risultati della classe MEDIUM partono dal 2002
- Nuova classe Intermediate inizia dal 2023

We remind that:

- European Agility started in 1989, from 1990 till 1992 the big event was the Royal Canin master (1990 Porte de Versailles, Paris; 1991, Bercy, France; 1992 Monaco) and since 1991 the first European championship was held in Finland. Grey parts of the table concern European Championship. In 1996 the first Agility World Championship was held in Switzerland.
- Until year 2001, categories small (<35) medium (35-43) and large (<43) still did not exist; the division was in MINI (<40) and STANDARD (> 40)
- The teams were made up of four pairs; to get the results you discarded the worst result of each team.
- Since 2002 they passed to the current division into classes SMALL MEDIUM and LARGE and the teams were reduced to three pairs for each team. Since 2012 the teams are again composed of 4 pairs.
- So, the results reported in small class up to 2001 are actually the results of the old class "MINI", and that's why the results of class MEDIUM start since 2002
- New INTERMEDIATE class starting in 2023
